

## GOH Experience Fundraising Ideas

- ! Register your church to do a shoe drive. You could raise up to \$1/pair of used shoes that you collect and the donated shoes will go to help the poor around the world. Collect shoes at church, school, the mall or anywhere around town.  
<https://el14.isrefer.com/go/beneficiaries/amoveo/>
- ! Set up a Charity 5k walk/run. Get your friends and neighbors to sponsor the students as they run for the Grain of Hope cause.
- ! Offer students to do projects in the homes of people of the church. Have them donate money to Grain of Hope rather than pay the students.
- ! Challenge your church to sacrifice something for a month, i.e. coffee at Starbucks, ice cream, dinner out. Give the money to the Grain of Hope cause.
- ! Challenge the students to give a large portion of the money they would get from their jobs to the Grain of Hope cause.
- ! Do a restaurant spirit night, call it “you eat they eat night”, Find a restaurant that will give you a portion of the business you bring in (Chick-fil-a, Buffalo Wild Wings, or local stores)
- ! Set up a table and spread the word anywhere you can. Try the church, school, mall, a restaurant ...
- ! Host a community yard sale. People can pay for a table and then you can encourage them to give a percent to the youth
- ! Flamingo Flocking is a fun and creative way to raise funds. Have the students put pink flamingoes in the yards of families in the church. The youth group can remove them for a donation to the Grain of Hope cause. The bonus is that they can choose the next church member to get flocked!
- ! Encourage families to come up with an idea that their family will do to help.
- ! The big one is to have a Grain of Hope Sunday at your church and to take an offering. Plan the service around poverty and our duty to help
